## This Week / Next Week

This week I delivered an assembly to celebrate the children's achievements during Presentation Week. Awards were given to children who presented outstanding compositions and also those with the most improved presentation. Well done to the children for all their hard work.

Year 1 and Year 2 children have undertaken their Phonics Screening this week. Well done to all the children for the positive attitude in which they approached them. Outcomes will be shared with you shortly.

## Sun Cream

Many children are still coming to school without having sun cream applied at home. Due to the weather being extremely hot I would ask you to ensure sun cream is applied **before school**. Bottles can be brought into school, in order to reapply, however, it must be clearly labelled with your child's name. If you do not have sun cream and wish the school to provide it, please return the permission slip sent out previously or contact the school office to give your permission. Thank you.

## School Summer Fete

Our school Summer Fete will be held next Thursday 22nd June from 3.15pm. Please join us for lots of fun and activities. Raffle tickets can be bought from the school office for £1 per strip.

I would like to thank Tesco Express and some parents with a business who have donated many prizes including vouchers. Your support is appreciated.

Please remember there will be **no after school clubs** on this day, so please collect your child at the normal time.

I hope you all have a wonderful weekend.

Kind regards

Mrs K Maguire-Egan  
Head Teacher

### This Week's Energy Saving Tips

- 💡 Dim your smart phone. It will use less energy and need charging less often.
- 💡 When you go on holiday, to save energy, turn all plugs off unless absolutely necessary.
- 💡 If the shops are a ten minute walk away, don't use the car!
