Dear Parents/Carers

## This Week

On Monday the children attended an assembly focusing on anti-bullying. We talked about what bullying is and why bullying happens as well as discussing how everybody is different and why it is important to respect this. We then discussed what a child should do if they think they are being bullied and why being kind to everybody is so important.

On Thursday the children attended an assembly to present the work that they completed during last week's Remembrance week. The work produced was fantastic and I expressed to the children how proud I am of their achievements.

## Children in Need

Thank you to everybody who dressed up to support Children in Need. We raised £90.80 which will be given directly to this worthy cause. Thank you for your continued generosity.

## Weather

The weather is now extremely cold. Please make sure your child comes to school in a warm coat (ensuring it is zipped up), together with hat, scarf and gloves to ensure they keep warm. Thank you for your support.

## Parking

I have had more complaints regarding parking and driving in the school area. Once again, I would ask all drivers to only park where you are permitted to and to take extra care and slow down when you are near the school. I have contacted North Essex Parking Partnership to request a traffic warden to help alleviate some of the risk to our parents and children.

## Non Pupil Day

A reminder that **Friday 28th November is a Non Pupil Day.**
