This Week

I hope you all had an enjoyable Easter break. It was wonderful to see all the children back on Tuesday.

This week I held an attendance assembly. Children with 100% attendance for the spring term received awards and badges. The names of all children were also put in a draw and a winner for each year group picked. The winners won a children's smart watch. Congratulations to the following children, I hope you enjoy your smart watch:

- Reception: Tillie
- Year 1: Ezra
- Year 2: Corey

Reminders

- Please make sure your child has a PE kit in school.
- Please ensure only water is in water bottles and that bottles are cleaned every day.
- Even though the weather is brighter, it is still chilly. I would therefore ask that you still send your child to school with a coat to keep them warm at break times.
- **Sports for Champions Sponsorship**
We are receiving a visit from professional boxer Hannah Beharry on 11th May. Please ensure your sponsorship forms are returned to school in time.

Reducing our Carbon Footprint

Below are this week's tips on how to save money and reduce our carbon footprint.

THIS WEEK'S ENERGY SAVING TIPS

- Open a window instead of running an air conditioning unit.
- Use your dishwasher as this uses far less water than washing by hand.
- If you go away, turn all plugs off unless absolutely necessary.
