Dear Parents/Carers

This Week

Welcome back to the start of the Summer Term. It was fantastic to see all the children this week. I do hope you all had a wonderful Easter break.

This term it is even more important that all children attend school everyday. It is during the Summer Term that we collate the most evidence which in turn goes towards your child's final **academic outcome**. Please make every effort to ensure your child achieves 100% attendance. Thank you.

On Monday the children attended an assembly where we spoke about money. We discussed what money is, where it comes from, why we need money and how to look after it. We then looked at various notes and talked about who the pictures were on the money and why the picture will, in time, change to the King.

Year 2 Transition

I am currently in communication with Alton Park with regard to dates for transition and Non-pupil dates for 2024—2025. Once I have more information, I shall pass it directly to you.

Parking Enforcement

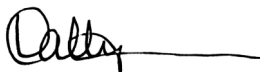

The residents close the school have once again been complaining about the parking around their properties and the school. They raised the issue that if an ambulance was needed it would not get through the traffic and parked cars and how dangerous this is. Please make every effort to ensure there is room for the emergency services when you park. Thank you for your support.

After School Clubs

Letters will be sent out shortly with details of clubs you can apply for during this Half Term.

Have a good weekend.

Kind regards

Mrs K Maguire-Egan
Head Teacher

Pond Area

Our pond area has now been cleared and is looking fantastic. Please feel free to take a look.

Play Equipment

The play equipment outside classrooms is for the children only during school time.

Please make every effort to ensure that all children in your care remain off of the equipment during school drop off and pick up times. Thank you.

Weather

As the weather is so changeable at the moment, can you please make sure your child still comes to school in a coat. If we do get some hot sunshine, please ensure your child wears sun screen and a hat. Please also make sure they come to school with a water bottle. If your child does need to bring sun screen to school to top up, please ensure it is clearly labelled, with their name and class. Labels can be obtained from the school office.

PE and Sports

Please ensure your child has a full PE kit in school. The children will be taking part in more outdoor activities and will therefore need a long sleeve top and bottoms in their bags. Please ensure all PE items are clearly labelled with your child's name.

Mr Widlarz will be providing extra PE sessions during the children's lunch hour which will include assault courses, football and much more. All children can freely take part, weather permitting.

Last Day of School—Friday 24th May. Back to School Monday 3rd May 2024.

Sponsored Easter Treasure Hunt Forms

If your child completed the Treasure Hunt, please make sure their forms and money are returned to the office by Monday 22nd April.
