This Week

This week I held an assembly to celebrate Multicultural Role Models week. The children learnt about various important people including Mother Teresa, Barak Obama, Martin Luther King and Usain Bolt.

During assembly we also discussed what a school fire drill is and the importance of practicing what to do when we hear the alarm.

Trophies were given out for the best class attendance for last week. The winners were Goslings (Reception), Badgers (Year 1) and Kingfishers (Year 2). Well done to all the children. The class with best attendance in each year group this week, will be awarded next Monday in assembly.

Next Week

Next week is Presentation Week. Please remind your child to put in an extra effort with their presentation in order to be selected for one of the awards.

Flu Immunisations

A reminder that Flu Immunisations will be taking place next Tuesday.

Parking

Local residents have brought to my attention that members of the school community are parking over their driveways and blocking them in. Please ensure you never park over anybody's driveway and always park and drive considerately. Thank you for your continued support.

I hope you have a wonderful weekend.

Kind regards

Mrs K Maguire-Egan
Head Teacher

Late Arrival at School

I am still seeing lots of children arriving late for school. The children's first lesson starts at 8.30am sharp and it is therefore essential that your child arrives in time for their first lesson. The gates open at 8.20am.

Please make sure you read with your child every day and complete their reading diary. Once you have finished a school book, please return it to us so we can provide your child with an alternative book to read.

Extra Information

Your Child's Learning Journey—A Meeting over Breakfast

I think it is important for you to understand the learning journey your child is undertaking and to get an understanding of the elements that make the journey successful. I would like to invite you to a meeting on Tuesday 17th October at 9am where you can find out more information and how you can help.

Bacon rolls and drinks will be served to all before the meeting starts. If you would like to attend this session, please call the school office to put your name down.

Toys

We are seeing some children bringing in toys from home. Please make sure your child is not bringing items from home into school. Toys from home can get broken or lost.

Water Bottles

We are seeing many children coming to school with juice and other drinks in water bottles. Please remember the school only allows water in water bottles. Your co-operation is appreciated.
