Dear Parents/Carers

This Week

This week we have had an online themed week, where the children have been learning how to stay safe online. Our assembly on Monday focused on this theme and the children learnt about online gaming, making friends and online bullying, learning what to do in order to stay safe in all situations.

On Wednesday the children were visited by the 2 Johns where they learnt how to stay safe whilst undertaking various online activities.

The Easter Cake sale took place on Thursday. A big thank you to everybody who donated and purchased goods. We raised £159.22, which will be spent on resources for the children.

Sponsored Easter Treasure Hunt

Letters were sent out earlier in the week with the sponsor forms, so children can take part over the Easter break. All sponsor forms and money must be returned to school by Wednesday 30th April.

Return to School

We return on **Tuesday 22nd April**. A reminder that Goslings will be having their library trip that day. April will also see Science Week running from 28th April to 2nd May, where the children will take part in various exciting activities.

Should the weather be warm when we return, can I please remind all parents/carers to apply sun cream before school and make sure your child has a hat and water bottle with them. Your child is welcome to bring additional sun lotion in their bag, which they will have to apply themselves. Please make sure any sun cream bottles are clearly labelled. (However, should it still be changeable, please send them in a coat). Thank you.

Have a wonderful Easter break.
Kind regards

Mrs K Maguire-Egan
Head Teacher

Attendance

The class winners were **Squirrels** in first place, followed by **Woodpeckers** and **Ducklings**.

Well done to all classes but especially Squirrels whose reward will be extra time in the adventure playground.

School Questionnaires—School Dinners

The school questionnaire completed at Parents' Evenings has highlighted that some parents are unhappy with the school dinner menu. We do constantly review what are the children's favourites and feel we include them in the menu. If there are any dishes you would like to see on the menu, please call the school office so these can be noted and included in our reviews. Thank you.

This Week's IT Safety Tip

The 2 Johns who visited the children this week have a website which contains lots of information on how to keep safe online. Please visit the website below and visit the **parents/carers area**.

Reducing Our Carbon Footprint

Below are this week's tips on how to save money and reduce our carbon footprint.

THIS WEEK'S ENERGY SAVING TIPS

- Switch to LED lighting to save money.
- **Buy some water saving gadgets**—There are small and relatively cheap gadgets that you can buy to reduce the amount of water you use in your bathroom and kitchen, such as eco-shower heads and tap aerators.

Homework

The following homework will be set each week. Please ensure you support your child with their homework and return it to their teacher as this forms part of their data outcome at the end of the academic year. Thank you for your support.

Reception Reading, phonics.

Year 1—Phonics, maths

Year 2—Spelling, maths, English and reading
