This Week

On Thursday the children took part in an assembly where we hosted the professional boxer Hannah Beharry. Hannah interacted with the children and took part in physical activities. Thank you to everyone who handed in their sponsorship forms. We raised £294.69 to put towards supporting our professional athletes. Thank you for your continued support.

Today some parents of Hedgehogs class came to eat dinner with their child. It was lovely to see all parents and how excited the children were to share their school dinner experience. Thank you for your support.

School Community Shop

A reminder that our school Community Food Bank is now open. I am delighted to see more people using this facility.

Ice Cream

Weather permitting, we will be selling ice creams under the shelter by the Year 2 block from next week.

Thank You

I would like to thank Mrs Fairhead, our Catering Manager and her staff for their incredible efforts in arranging last week's Coronation Picnic. I would also like to thank Miss Gardiner for organising all the prizes.

I hope you all have a wonderful weekend.

Kind regards

Reducing our Carbon Footprint

THIS WEEK'S ENERGY SAVING TIPS

Leave food out to thaw before trying to cook it—this means less energy is required to cook it.

Open windows instead of relying on an extractor fan—saving on electricity.

Install motion detector lights. There is no point leaving lights on if no-one is there to benefit from them.
