Dear Parents/Carers

This Week

On Monday the children attended an assembly where we spoke about being Sun Smart. We discussed how the weather is changing and is becoming warmer and why we need to take care of ourselves in the sun. We talked about using sun cream, wearing a hat/ sunglasses, staying in the shade and drinking plenty of water. We also talked about how to stay safe at the Beach.

Presentation Week

Next week is Presentation Week. Please remind your child to present their work as neatly as they can. Thank you.

Water Bottles

Please make sure your child's water bottle is made of plastic and not glass. The glass bottles pose an array of dangers and are not permitted on site.

Can you also please ensure that only plain water is put in your child's bottle. No juices, flavoured water or other drinks are allowed. Thank you for your co-operation.

The Changing Weather

The changing weather can be frustrating. However, we have had some children coming to school this week and complaining they are cold due to not having a coat or jumper. Please do make sure your child comes to school with a jumper or cardigan and a coat. If it is warm enough outside, they can leave their coat on their peg.

Should the sun shine and the temperatures increase, please make sure you apply sun cream to your child before school. Your child is welcome to bring a bottle to school in order to apply but they must do this themselves. Please also make sure all bottles are clearly labelled. Thank you.

Have a good weekend.

Kind regards

**Mrs K Maguire-Egan
Head Teacher**

Arrival at School
 We are still experiencing some children being sent into school on their own.
All parents/carers must accompany their child to the classroom door where they can be handed over safely to their teacher.

Class Photos

Class photos will be taken next Wednesday 15th May. Please ensure your child is in full school uniform. Thank you.

Driving & Parking

Please ensure you drive carefully around the school area. Please also do not park in a way that can be dangerous or can cause distress to our surrounding neighbours.

Thank you for your co-operation.

PE KITS IN SCHOOL

We are still seeing lots of children without PE kits in school.

**A PE KIT NEEDS TO CONSIST OF SHORTS, A T-SHIRT AND TRAINERS/PLIMSOLES.
(any shorts or T-shirts are acceptable).**

Please make every effort to supply a PE kit, to ensure your child does not miss out.

Thank you.
