Dear Parents/Carers

This Week

This week our assembly focused on energy efficiency and environmental awareness. The children learnt how we can help the environment in ways such as always putting litter in the bin, walking instead of travelling by car, using refillable water bottles and using reusable bags. They also learnt why it is important to turn the tap off when we clean our teeth, to use both sides of paper and the benefits of recycling rubbish.

Next Week

Next week is Half Term. All children return to school on **Monday 2nd June** and must be in class for 8.30am.

After Half Term

When we return please make sure that your child comes to school wearing sun cream (preferably factor 50) if it is warm and sunny, with a water bottle and a hat. If the weather is chilly, I still expect children to come into school with a coat to use at play and lunch time.

Please also make sure that your child comes to school in their PE kit on PE days as they will be spending more time outdoors practising for Sports Day.

Sports Day

Sports Day this year will be held on Monday 7th July (in the event of bad weather, the reserve day will be Wednesday 16th July). More information will be shared after the Half Term break.

I hope you have a fantastic Half Term and look forward to welcoming the children back on the 2nd June.

Kind regards

Mrs K Maguire-Egan
Head Teacher

Key Dates

June	
2nd	Back to School
2nd-6th	Pupil Progress Week
6th	Water Safety Assembly
9th-13th	Phonics Screening Week
11th	Year 2 Beach Trip
16th-20th	Year 2 SATS
17th	Year 1 Visit St James Church
24th	Non Uniform Day—Fete Donations
Menu	WC June 2nd Week 2

Attendance

The class winners were Hedgehogs in first place, followed by Ducklings and Robins.

Well done to all classes but especially Hedgehogs whose reward will be extra time in the adventure playground.

Non Uniform Day Tuesday 24th June

We will be holding a non uniform day on Tuesday 24th June, in return for donations for our Summer Fete.

Friday 18th July Wacky Hair Day

The last day of school before we break up for the summer break will be a non uniform day. All children are invited to come to school with wacky hair. More information will follow nearer the date.

Ice creams

Weather permitting, we are selling ice creams after school from the Year 2 playground.

All items are sold for £1 each with any profit going back into the PTA.

After School Club Ice Creams

Ice creams are sold after school each day, weather permitting. In order that children who attend clubs do not miss out, we will also be selling ice creams after clubs from 2nd June. All items must be paid for with a donation of £1 cash.

We still have some club spaces available. Please contact the school office to find out more.

Head Lice

We have had reports of some children having head lice. Can you please check your child regularly and treat their hair accordingly. If you would like a free head lice comb, please contact the school office. Thank you.

Packed Lunch Drinks

At lunch time children's drinks are placed outside their classrooms so they can access water during play. In view of this, if your child has a packed lunch, can you please ensure that you include an additional drink in their lunch box that they can have with their meal. Thank you for your support.

Parking

I have received a complaint from a neighbour in Windsor Avenue advising that some parents are parking their entire cars on the pavements. This inconsiderate parking has resulted in a disabled resident being unable to leave their property with their walking frame due to not having the space to do so.

Please do not park in restricted parking zones, zig zags or double yellow lines. If there are no parking spaces, please park further down the road and walk the remaining distance back to the school.

Thank you for your co-operation.

Reducing Our Carbon Foot-

Below are this week's tips on how to save money and reduce our carbon footprint.

THIS WEEK'S ENERGY SAVING TIPS

- The hot water temperature on your combi boiler is a setting you should check. This controls the temperature of the water that comes out of your hot water taps.
- Fill up the washing machine and use a cold water cycle to save money.

DANCE & CHEER

FREE CLASSES FOR ALL STUDENTS

TUESDAY - REC/YEAR 1 - DANCE

WEDNESDAY - YEAR 2 - CHEER

THURSDAY - REC/YEAR 1- CHEER

**PLEASE CALL SCHOOL OFFICE
TO SECURE YOUR SPACE**
